Jicable HVDC' 25

WELCOME TO TURIN!

Jicable HVDC'25

Jicable is an international conference to promote scientific and technical exchanges within the insulated power cables field.

It allows in-depth analysis of the State-of-the-Art and future perspectives.

Jicable HVDC'25 symposium will be the natural follow-up of Jicable HVDC'21 dedicated to High-Voltage Direct Current transmission systems for which insulated power cables are a key component. This upcoming 4th edition will include conferences, tutorials, technical visits and a poster session for young researchers.

Main topics

- HVDC Cable Development: Conception, design, modelling and simulation studies, production and environmental constraints for HVDC cables and accessories, qualification tests of new production lines.
- Fundamental material performance aspects
- New developments within the HVDC cable system
- Test method developments for DC cable systems
- New mechanical frontiers for HVDC cabling
- Monitoring & service aspects
- Sustainability and environmental aspects

WELCOME TO TURIN

Turin is a charming city with a rich artistic and cultural life.

Take time to visit **the Egyptian Museum**, one of the richest in the world. Also, don't miss **the Automobile Museum**, birthplace of the Fiats!

Finally, as you stroll through the city, you'll appreciate a historic city at the heart of industry.

"The Jicable association alternates between two events bringing together international experts: the Jicable congress dedicated to Energy cables, the latest of which took place in Lyon in June 2023, and a symposium dedicated to EHVDC and HVDC cable systems, Jicable-HVDC. This year, we are organizing the 4th Jicable HVDC symposium, HVDC'25, in Turin from October 20 to 22. It will once again be a great honor to meet researchers, engineers, and industry professionals who will discuss topics that are always as exciting and important for the future of electric energy transmission."

**LAURENT TARDIF (Prysmian Group),
Chairman of the Steering Committee**

"HVDC and EHVDC cables have an ever-increasing role at the hearth of the energy transition. Technologies are evolving to meet massive needs from network operators. The Jicable HVDC'25 symposium provides an opportunity for industry professionals, network operators, academics, and laboratories to exchange ideas on scientific and technical aspects, innovations, ongoing and future projects, and feedback from experiences in this rapidly evolving field. It is also an opportunity for young researchers to present and showcase their work."

**ESPEN DOEDENS
Chairman of the International Scientific and Technical Committee**

GENERAL TERMS & CONDITIONS

FOR THE SALE OF SERVICES AND HIRE OF STANDS

ARTICLE 1 – SUBJECT

The purpose of these General Terms and Conditions for the sale of services and hire of stands (hereinafter the «GTC») described below is to define the conditions under which Hopscotch Congrès (SAS with registered office located at: 23-25 rue Notre-Dame- des-Victoires, 75002 Paris, France) makes a stand available to an exhibitor (the «Partner») as part of the event organised by Hopscotch Congrès and in accordance with the terms and conditions agreed in the booking form, which forms an integral part of the GTC. The Partner wishing to participate in the event accepts without reservation these GTC, the regulations of the location in which the event takes place, and the provisions of public law applicable to events organised in France. It accepts any new provisions imposed by the circumstances, or in the interest of the event, of which Hopscotch Congrès reserves the right to advise, even verbally. The terms and conditions for the organisation of the event, in particular the start and end date, its duration, the location in which it will take place, and the opening and closing times, are freely determined by Hopscotch Congrès, which may modify them unilaterally. Any decision to change the organisation of the event, notwithstanding the date on which it is taken, does not entitle the Partner to cancel its reservation.

Signature and/or acceptance of the reservation form, by any means, implies the unreserved acceptance of the GTC, which together form a «Contract».

The GTC may not be modified by contrary stipulations on the Partner's order form or in its general terms and conditions of purchase, unless there is a formal and express exemption between the Parties. The fact that Hopscotch Congrès does not invoke any of these GTC at a given time shall not be interpreted as a waiver of the right to invoke any of the said conditions at a later date.

ARTICLE 2 – DURATION

The GTC take effect upon the Partner's acceptance of the booking voucher and have full effect for the duration of the performance of the services referred to in the booking voucher.

In the event of failure by one Party to comply with any of its obligations, the Contract may be terminated by the other Party by operation of law, fifteen (15) days after formal notice has remained without effect, without prejudice to any damages or interests that may be due. Breach of contractual obligations is understood to mean the partial or total non-performance of a principal obligation or repeated breaches of an accessory obligation.

The articles of the GTC which, by their nature, are intended to continue to apply, shall survive termination of the Contract, whatever the cause. In the event of early termination of the Contract, the Partner shall pay for any services rendered and all reasonable costs already incurred by Hopscotch Congrès up to the termination date.

ARTICLE 3 - RESERVATION PROCEDURES

3.1. Reservation requests The Partner wishing to exhibit at the event must send Hopscotch Congrès an admission request signed and formulated on the basis of the official reservation forms supplied in advance by Hopscotch Congrès. In order to be validated, the reservation form must be sent by email to: fchenoufi@hopscotchcongres.com and accompanied by the payment.

The reservation will only become definitive upon receipt of a purchase order number specific to the Partner enabling Hopscotch Congrès to invoice. The order will, therefore, only be definitive upon receipt of all of this information.

No stand may be allocated to the Partner without this information. Failing receipt fifteen (15) days prior to the event, the order shall become null and void and shall not be taken into account by Hopscotch Congrès. Application to participate, even if not accompanied by the payment, constitutes a firm and irrevocable order commitment on the part of the Partner involving payment of the full price of the stand hire and any ancillary costs. Validation of admission applications by Hopscotch Congrès Applications will be submitted to the event's Organisation Committee which, upon examination of the applications, will decide on admissions. In the event of rejection, the Organisation Committee will not be required to provide reasons for its decision, of which the applicant Partner will be notified. Under no circumstances may the rejected applicant claim any compensation whatsoever on the grounds that its participation was requested by the Organisation Committee or by Hopscotch Congrès. Additional services of a technical nature may be taken out by the Partner and will be subject to a prior estimate.

ARTICLE 4 – PRICE

The price and invoicing terms are provided for in each reservation form. Unless otherwise stipulated in the booking form, the Partner undertakes to pay the price within thirty (30) days of the invoice date for any booking made two (2) months prior to the event. For any booking made from one (1) month prior to the event, payment must be made upon receipt of the invoice. Participation will only be effective upon receipt of full payment of the price and no services (including the stand) will be delivered if the payment has not been made prior to the event. Any delay in payment may lead to delays in setting up the event. Such delays may result in additional costs or the partial or total cancellation of services. Hopscotch Congrès cannot be held responsible. In accordance with the above payment deadlines, and pursuant to the law on payment periods, any late payment shall automatically lead to the application of late payment penalties, the rate of which shall be equal to one and half (1.5) times the legal interest rate. If the full invoice has not been paid at least thirty (30) days before the date of the event, Hopscotch Congrès reserves the right to re-allocate its stand. Similarly, if the full invoice has not been paid at least fifteen (15) days before the date of the event, Hopscotch Congrès reserves the right to refuse the Partner access to the event. Should the invoice not be paid in full prior to the opening of the event, Hopscotch Congrès shall not reimburse any sums already paid.

ARTICLE 5 – CANCELLATION BY THE PARTNER

Cancellation by the Partner If the Partner wishes to cancel its reservation or to withdraw, it must do so by registered letter with acknowledgement of receipt to Hopscotch Congrès. If it does so more than two (2) months before the event, 60% of the price shall be due to Hopscotch Congrès; 80% shall be due if the cancellation occurs between two (2) months and one (1) month before the event. For any cancellation request made less than one (1) month before the event, 100% of the price must be paid. This payment will be deducted from the payments already made by the Partner, if applicable. COVID-19 health crisis In view of the COVID-19 health crisis, the Parties acknowledge that this situation is beyond their control and may affect all or part of the services provided in relation to the event, and that cancellation and/

GENERAL TERMS & CONDITIONS

FOR THE SALE OF SERVICES AND HIRE OF STANDS

or modification of all or part of the services may occur at any time (i) At the will of either Party if it believes that some or all of the services will endanger the health of its employees or that of the public. The Party concerned must immediately inform the other Party by e-mail of the cancellation and/or modification of part or all of the services; (ii) Independently of the Parties, in the event of legal or governmental restrictions, taken at national or local level. The Parties agree that, in such a case, the Partner may cancel its participation in the event under the following conditions: If the cancellation occurs more than two (2) months before the event, 30% of the price shall be due to Hopscotch Congrès; 60% shall be due if the cancellation occurs between two (2) months and one (1) month before the event. For any cancellation request made less than one (1) month before the event, 100% of the price must be paid. Declaration/Authorisation procedure (Articles L. 1453-10 to 12 of the French Public Health Code). In the event that the competent authority issues recommendations to the Parties with regard to the Contract pursuant to the second paragraph of Article L. 1453-10, or refuses to authorise the Contract pursuant to Article L. 1453-11, the cancellation conditions of Article 5.1 will apply.

ARTICLE 6 – SUB-HIRE

The reservation form is nominative, non-transferable and inalienable. Except with written agreement, the Partner is formally forbidden to transfer, sub-hire or share all or part of its reservation, whether in return for payment or free of charge.

ARTICLE 7 – OCCUPATION OF THE EXHIBITION AREAS

The exhibition plan is drawn up by the event's Organisation Committee. The allocation of stands is carried out by Hopscotch Congrès in collaboration with the Organisation Committee, taking into account the order in which bookings arrive. Once allocated, no change of stand may be made without the written agreement of Hopscotch Congrès, which reserves the right to modify the location, size and layout of the stand requested by the Partner whenever it deems it useful to do so. If the Organisation Committee is obliged to partially modify the stands or facilities, no complaint shall be admissible and the Partner undertakes to comply with any decisions made. The allocated stands must be occupied by the Partner for the duration of the event; otherwise they will be considered available and may be reallocated without the defaulting Partner being able to claim any compensation or reimbursement whatsoever.

ARTICLE 8 – SAFETY REGULATIONS AND GUIDELINES

A technical file of the exhibitor will be sent to the Partner at a later date. This file will include all of the arrangements for stand layout and furniture hire, as well as the safety regulations and information on the various services that may be required (telephone, handling, storage, customs clearance, etc.). The Partner undertakes to comply with, and ensure that its employees and subcontractors comply with, the regulations of the event venue and the instructions specified in the technical file. More generally, the Partner is required to comply with the laws and regulations that apply to trade fairs, as well as with the safety measures laid down by the public administration. The Partner must comply with the regulations and safety instructions of the location in which the event takes place

The Partner is responsible for both the equipment it exhibits and the equipment that it has hired or installed on its stand. Finally, during the event, the Partner undertakes to comply with all applicable ethical rules and practices, particularly concerning the due regard for professional ethics, scientific independence, management of conflicts of interest, transparency of financial participation and various forms of remuneration, neutrality of the content of information, mechanisms for authorising and declaring benefits and, more generally, strict compliance with the rules set out in the French Public Health Code. Within the framework of the DMOS law (French «anti-gift» law) and these updates, the Partner undertakes to carry out all formalities and regulatory procedures incumbent upon it. In particular, the Partner shall be responsible for complying with the provisions of Article 1453-1 of the French Public Health Code aimed at making this Contract public. In this respect, Hopscotch Congrès acknowledges and accepts that the Partner may be required to make public any information concerning the Contract, in particular its financial conditions, in order to comply with the legal and regulatory provisions and/or its own procedures. Obligations under the French Public Health Code are not the responsibility of Hopscotch Congrès. Hopscotch Congrès may not be held liable in the event of non-compliance with these provisions by the Partner.

ARTICLE 9 - INSURANCE - LIABILITY

Hopscotch Congrès has taken out civil liability insurance as part of its activity. The Partner is obliged to take out an insurance policy covering the financial consequences of its civil liability and, in particular, any liabilities that it may incur against any third party. This insurance must be taken out with a company known to be solvent and cover the Partner for sufficient amounts. In addition, the Partner must also insure the goods, and more generally any equipment in its custody, in particular against loss and theft. The Partner undertakes to communicate this policy to Hopscotch Congrès at the latter's first request. Should Hopscotch Congrès's liability be recognised for any reason whatsoever, any damages and interest, along with any compensation due by Hopscotch Congrès to the Partner, for any reason whatsoever, may not exceed the total amount of the sums paid by the Partner under the terms of the Contract, exclusive of tax. Hopscotch Congrès shall not be liable for any indirect damage whatsoever.

ARTICLE 10 – EXCLUSIVITY

The reservation, and consequent hire of a stand or advertising space, requires the Partner not to organise or promote meetings or gatherings on the themes of the Congress, throughout its duration, which have not been declared and authorised by the Organisation Committee.

ARTICLE 11 – DISTRIBUTION OF DOCUMENTS

Any distribution of advertising documents and leaflets may only be carried out on the stand allocated to the Partner. ARTICLE 12 – RIGHTS AND RESPONSIBILITIES OF THE ORGANISER Hopscotch Congrès shall have the right to rule on all cases not provided for in these GTC. All of its decisions shall be

GENERAL TERMS & CONDITIONS

FOR THE SALE OF SERVICES AND HIRE OF STANDS

aken without any possible appeal and shall be immediately enforceable. Failure to comply with any clause of these GTC may result in the immediate, temporary or definitive exclusion of the violator, without the latter being able to claim any reimbursement or compensation. Hopscotch Congrès may freely dispose of the reservations thus left free. This is the case in the event of non-compliance with the terms and conditions of the GTC in Article 3: Hopscotch Congrès shall send the debtor a letter of formal notice with acknowledgement of receipt. If the debtor fails to pay within fifteen (15) days, the Contract shall be automatically terminated. Hopscotch Congrès cannot be held responsible for too low a number of registered participants, or for any lack of interest in the event as a whole.

ARTICLE 13 – PROCESSING OF PERSONAL DATA 13.1

For any processing of personal data («PD») carried out in relation to this Contract, the Parties shall comply with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) - «GDPR». Each Party represents and guarantees to the other Party that it will strictly comply with the GDPR for any processing of personal data carried out in relation to this Contract. Notwithstanding any clause to the contrary, the Parties shall not incur any contractual liability under this Contract to the extent that compliance with the GDPR would prevent them from performing any of their obligations under the Contract. 2. Hopscotch Congrès may deal with the Partner's PD in the context of managing its booking and its business relations with Hopscotch Congrès. This is necessary for the conclusion and execution of the Contract. Only Hopscotch Congrès's internal teams, and the service providers that it has authorised, have access to the Partner's PD. In accordance with the applicable regulations, the Partner has a right of access, rectification, and deletion of the PD concerning it, and a right to object to the processing of this data. In addition, the Partner has the right to define general and specific guidelines on what becomes of its data after its death. In order to exercise these rights, the Partner is invited to contact Hopscotch Congrès by post at: 25 rue Notre-Dame-des- Victoires, 75002 Paris, France. Finally, the Partner has the right to lodge a complaint with the CNIL (French National Commission for Data Protection and Liberties). The Partner's PD are kept for the duration of its commercial relationship with the Organiser. The data required to prove the relationship, the data required for the execution of these GTC, and the data required for Hopscotch Congrès to comply with its legal and regulatory obligations. 3. If applicable, the badge readers provided to the Partner shall provide participants who so wish with the opportunity to use the badge to identify themselves on the Partner's stand, enabling Hopscotch Congrès to transfer the following personal data of the said participants to the Partner: surname, first name, company name. As this identification process is the sole responsibility of the participants, Hopscotch Congrès makes no commitment regarding the volume of personal data transferred to the Partner, and declines all liability in the event of non-compliance by the Partner with its obligation to inform the participants about the use of their data. It is the Partner's responsibility to comply, in particular, with the rules applicable to the protection of personal data as well as with those relating to commercial prospecting. Hopscotch Congrès shall, under no circumstances, be held liable for the use made of such data by the Partner, for which the latter shall be solely responsible

ARTICLE 14 – FORCE MAJEURE

In the event of force majeure, the dates of the congress and exhibition may be changed or cancelled altogether. Cases of force majeure justifying the cancellation or postponement of the event at any time include any new health, climatic, economic, political or social situations at local, national or international level that were not reasonably foreseeable at the time the event was communicated to the Partner, that are beyond the control of Hopscotch Congrès, that make the performance of the Contract impossible, or that entail risks of disturbances or disorders likely to seriously affect the organisation and smooth running of the event or the safety of goods and persons. In the latter case, the Partner undertakes not to exercise any recourse against Hopscotch Congrès after payment of the expenses incurred; the balance available shall be divided between the Partners in proportion to the payments made.

ARTICLE 15 – REPLACEMENT OF THE EVENT IN THE CASE OF FORCE MAJEURE

In the case of force majeure, or in the event of government measures related to COVID-19 imposing new restrictions, Hopscotch Congrès reserves the right to replace the face-to-face congress with a digital version, subject to granting the same conditions of visibility for the Partner. In this case, a new commercial proposal will be sent to the Partner together with a new booking form. Any withdrawal by the Partner will be considered as a cancellation within the meaning of Article 5.

ARTICLE 16 – POSTPONEMENT OF THE EVENT

Should the event be postponed for a cause beyond the control of Hopscotch Congrès, in particular any postponement resulting from measures to reduce the risks associated with COVID-19, or in the event of force majeure, it is agreed that Hopscotch Congrès shall inform the Partner of the new arrangements, and that the Partner's investment provided for in these GTC shall be reallocated to the postponed event. The Partner will be free to decide whether or not to agree to participate in the postponed event. Any refusal to postpone on the part of the Partner will result in application of the conditions stipulated in Article 5.1.

ART 17 – INTELLECTUAL PROPERTY Under no circumstances may the Contract be interpreted as constituting an express or implicit assignment or licence relating to the intellectual property rights of the Parties. The Parties acknowledge that each Party remains the owner of the intellectual property rights belonging to it, and that the Contract may not be assimilated to an assignment, licence or right of use other than that necessary for the performance of the Contract.

ART 18 – ASSIGNMENT Except with the prior written agreement of the other Party, no right or obligation resulting from the GTC may be assigned, conceded or transferred automatically by one of the Parties to a third party, in particular by way of assignment, merger or absorption.

ARTICLE 19 – DISPUTE AND APPLICABLE LAW These GTC are subject to French law as interpreted by the French courts. In the event of a dispute, only the courts of Paris shall have jurisdiction
